*"This was really worth the time
and money spent. I learned so
much. I have more clients than
before. I feel more secure in
what I am doing. Jasper is a
person you can easily connect
to. He is always there for you.
It was a perfect time!"*

Simone Tontsch - Kundalini Yoga
Teacher & Coach (Germany)

*"The Training was absolutely amazing.
Where I initially thought to learn how to
coach others above all this training has
taught me how to coach myself better.
Not only with the help of coaching
techniques, which you learn to apply
directly, but also through the reflections of
the other coaches whereas "a coach still
needs a coach. In short, until today it has
brought me lots of energy, inspiration and
commitment to do what I like to do most."*
